Montserrat

How to use it?

Designed for effortless reading across itineraries, interfaces and stories. Inter keeps every digital touchpoint precise and approachable.

LOGO

COLOUR PALETTE

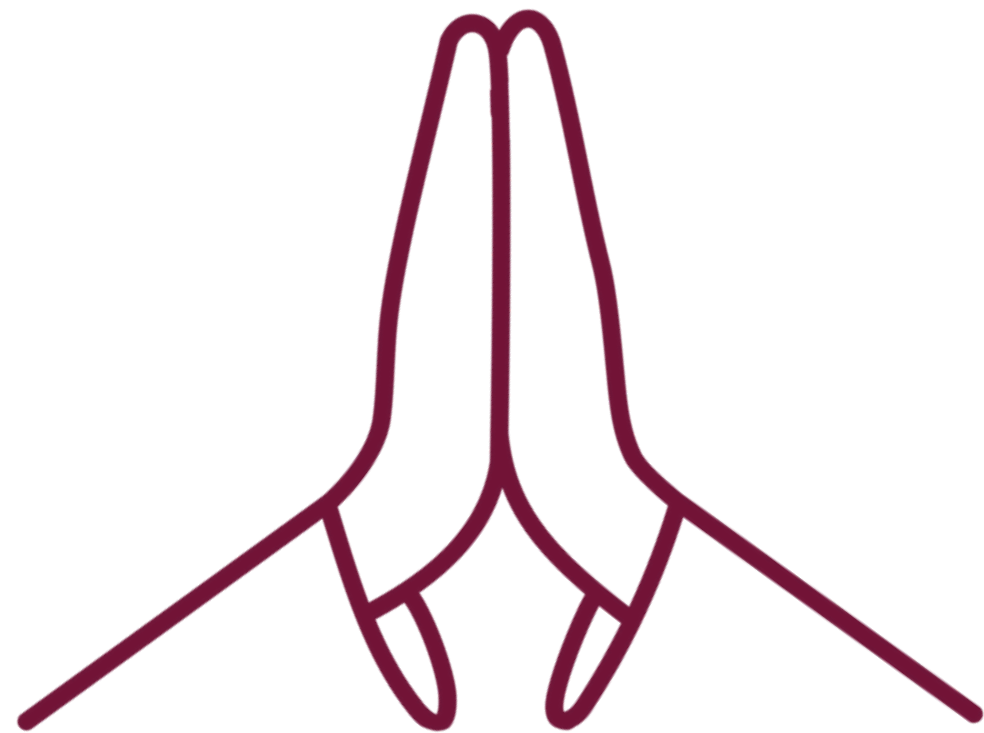

ICONOGRAPHY

Lotus — represents India, heritage, purity, spirituality and cultural richness. It gives the brand a distinctly Indian identity without making the logo overly literal.

ICONOGRAPHY

Namaste — represents welcome, respect and Indian hospitality. Since the brand is about tourism, it communicates the idea of “Welcome to India.”

WHAT IT DOES?

WAYFINDING

Bold, directional and visible.

DIGITAL

Responsive across every screen.

MERCHANDISE

Quiet confidence in every detail.
