BEST SEASON

IDEAL FOR
Couples, Seniors, First-Timers

To travel Rajasthan by Palace on Wheels is to unpack once and let the state come to you. The train leaves Delhi and returns to it, and in the week between it threads together the places that made Rajasthan's reputation: Jaipur's forts and bazaars, tiger country at Sawai Madhopur, the lakes and palaces of Udaipur, the desert sandstone of Jaisalmer, the blue lanes beneath Mehrangarh at Jodhpur, and finally Agra and the Taj Mahal.

The appeal is the rhythm as much as the route. Nights are spent aboard while the train moves, mornings arrive somewhere new, and the day's excursions, meals, guides and entrance fees are all arranged before you board. The operator runs the train and we handle everything around it, from the booking form to the person meeting you at the airport.

Journey Highlights

- **Board** one of the world's most celebrated luxury trains, built in the spirit of the royal carriages of Rajasthan's former princely states.
- **Begin** in Jaipur, the ideal gateway to royal Rajasthan, with its palaces, bazaars and hilltop forts.
- **Track** tigers on safari at Sawai Madhopur, on the edge of the Ranthambore reserve.
- **Drift** across Lake Pichola in Udaipur, the Venice of the East, ringed by palaces at the water's edge.
- **Ride** a camel across the dunes at Jaisalmer, the Golden City rising out of the Thar Desert.
- **Wander** the blue-washed lanes beneath Mehrangarh Fort in Jodhpur.
- **Close** with the Taj Mahal at Agra before the train returns to Delhi.

2026–27 SEASON

Departures

Seasonal departures: enquire for current dates. The Palace on Wheels runs a fixed-departure schedule that the operator sets and may revise each season, so we confirm live availability with RTDC for your dates rather than publish a timetable that could go stale.

How booking works

01

Select and finalise the journey

We confirm your departure and cabin category, then share the booking form together with the cancellation terms. Passport copies are needed to record each traveller's name, nationality and passport number.

02

Pay the 40% advance

An advance of 40% against the invoice secures the booking. If your international flights are already arranged, share the details at this stage.

03

Receive written confirmation

Once the advance is received you get a confirmation email and letter, along with a breakdown of the amount received and the balance due.

04

Adjust the details

Tell us about anything you would like added or changed and we will check what is possible with the operator. Some changes cannot be accommodated on a fixed-departure train.

05

Clear the balance 95 days before arrival

The balance must be cleared at least 95 days before arrival in India. We send a receipt once it is in.

06

Arrival assistance

About a week before departure we share your arrival assistance details: who will meet you at the airport and the name of your assigned guest relations manager.

portion is also treated as forfeited.

Amendments

All amendments are subject to approval by RTDC as the train tour operator.
