The Deccan Odyssey's Heritage Odyssey is the western circuit: Delhi to Agra for the Taj, then a week's arc across Rajasthan — the tiger reserve at Ranthambore, the lakes of Udaipur, Jodhpur under Mehrangarh, Jaisalmer in the Thar and Jaipur's forts and bazaars — before the train brings you back to the capital. Seven nights aboard, the distances covered while you sleep, and every excursion, meal and guide arranged before you board.

India Visit books this journey as an authorised agent: the operator runs the train and we handle everything around it. The day-by-day programme on this page follows the operator's route and highlights; the operator's own daily timings are supplied with your booking.

Day 01 Delhi — Boarding

Train — Departs Delhi

Board the Deccan Odyssey at Delhi. The week ahead runs south to Agra and then west across Rajasthan — Sawai Madhopur, Udaipur, Jodhpur, Jaisalmer and Jaipur — before returning to the capital, with the distances covered overnight while you sleep. The operator's daily programme, including boarding time and the order of the evening, is supplied on booking.

Overnight aboard

Day 02 Agra — The Taj and the Fort

Train — Overnight from Delhi

Agra holds two of India's World Heritage Sites within a few kilometres of each other — the Taj Mahal and Agra Fort — and the day is given to them. The operator's programme sets the order and the timings.

Overnight aboard

Day 03 Sawai Madhopur — Tigers at Ranthambore

Train — Overnight from Agra

Sawai Madhopur is the railhead for Ranthambore, and the day's excursion is a safari into the reserve in search of the tiger. Sightings are never promised by anyone honest; the fort above the park and the lakes below it make the drive worthwhile regardless.

Overnight aboard

Day 04 Udaipur — The City of Lakes

Train — Overnight from Sawai Madhopur

Udaipur, the lake city of Mewar, with its palaces at the water's edge. The operator's programme sets the day's excursion.

Overnight aboard

Day 05 Jodhpur — Beneath Mehrangarh

Train — Overnight from Udaipur

Jodhpur, the blue city, under one of the largest forts in India. The day's excursion takes in the fort and the bazaars beneath it, as set by the operator's programme.

Overnight aboard

Day 06 Jaisalmer — The Golden City

Train — Overnight from Jodhpur

Jaisalmer rises out of the Thar in honey-coloured sandstone — the fort still lived in, the carved havelis, and the desert beyond. The day's programme is the operator's.

Overnight aboard

Day 07 Jaipur — The Pink City

Train — Overnight from Jaisalmer

Jaipur, with its forts, palaces and the bazaars the operator's highlights single out. The day's programme is the operator's, and the train runs back to Delhi overnight.

2026–27 SEASON

Departures

Seasonal departures — enquire for current dates. The Deccan Odyssey runs a fixed-departure schedule set by the operator and revised each season, so we confirm live availability for your dates rather than publish a timetable that could go stale. Each departure needs a minimum occupancy to operate; if that is not reached the operator may cancel with at least 45 days' notice.

How booking works

01

Select and finalise the journey

We confirm your departure and cabin category, then share the booking form together with the cancellation terms. Passport copies are needed to record each traveller's name, nationality and passport number.

02

Pay the advance

An advance of 30% against the invoice secures the booking. If your international flights are already arranged, share the details at this stage.

03

Receive written confirmation

Once the advance is received you get a confirmation email and letter, along with a breakdown of the amount received and the balance due.

04

Adjust the details

Tell us about anything you would like added or changed and we will check what is possible with the operator — some changes cannot be accommodated on a fixed-departure train.

05

Clear the balance 95 days before arrival

The balance must be cleared at least 95 days before arrival in India. We send a receipt once it is in.

06

Arrival assistance

About a week before departure we share your arrival assistance details — who will meet you at the airport and the name of your assigned guest relations manager.

Practical notes

Visa

Foreign passport holders need a valid Indian visa before boarding their flight to India.

Getting there

The journey begins and ends in Delhi; Indira Gandhi International Airport (DEL) is the arrival point.

Season

The train runs a seasonal schedule through the cooler months, and each departure needs a minimum occupancy to operate. We confirm current dates on enquiry.

Pace

Moderate. You unpack once and the train moves overnight, with a full excursion most days.

Policies & cancellation

India Visit is an authorised booking agent for the Deccan Odyssey. The train is run by its train tour operator, Maharashtra Tourism Development Corporation, and the operator's terms apply to your journey. Our liability is that of booking agent.
Operated by Maharashtra Tourism Development Corporation (train tour operator). Full booking terms

Cancellation charges

Cancellation requests must be made in writing and acknowledged by us. A minimum 10% cancellation fee applies on the gross train ticket value if we are informed more than 95 days before departure; 30% between 60 and 94 days; 50% between 45 and 59 days; and 100% if informed less than 45 days before departure, or in the event of a no-show.

No-shows and journeys ended early

In the case of a no-show or non-arrival, no refund or adjustment applies and the whole amount is treated as forfeited. If you end the journey part way through, for any reason, the unused portion is also treated as forfeited.

Children

The train accommodates children, and the operator asks parents to be mindful of the adult atmosphere it maintains. One child under five may travel free in a Deluxe cabin sharing a double bed with parents, subject to availability; a child between five and twelve sharing a Deluxe cabin with one adult is charged half the adult fare. For families with older children the operator recommends the Presidential Suite, where the living-room sofa-bed accommodates them; two children between six and twelve need a second cabin. There are no interconnecting cabins. We will set out the arrangement that fits your family before you book.

Amendments and date changes

All amendments are subject to the train tour operator's approval and are generally considered only in circumstances such as natural disaster or serious illness supported by a doctor's certificate, decided case by case. No amendment is permitted on group or whole-train bookings. A request to postpone the same passengers to a future date carries a per-person charge and needs the operator's approval; changes to travel dates or passenger names are otherwise governed by the cancellation rules above.

If the operator cancels a departure

If a scheduled departure does not operate, you will be informed at least one week beforehand, and the full amount received is refunded, credited against future travel, or held as a credit note — without any cancellation fee. We cannot compensate for consequential costs such as air tickets or hotel bookings made independently.

Visas and travel documents

All foreign passport holders require a valid Indian visa before boarding a flight to India. Requests for refunds arising from visa refusal, or from arriving without the correct travel documents, are governed by the cancellation rules above.

Operator's right to amend

The train operator reserves the right to amend the itinerary, fees and cancellation or refund rules, and because the train runs on Indian Railways track, the routing is subject to change. Scheduled excursions cancelled by the tour manager at short notice for local reasons are not refundable. Any resulting difference or additional charge is payable by the guest as per the operator's rules.
